

## Progress Report on *Rinchen Ling Renovation* Project, Oct. 14, 2017

Thank you for your kind support.

Ratnashri Meditation Center has raised from March to October 13 8110 SEK from 12 donors including the Center. The total amount including the list of donations will be delivered to His Eminence Drubwang Nubpa Rinpoche personally during the 800th Mahaparinirvana celebration event in JangChubLing. All the donors received a gift from Rinpoche. Regular prayers are offered by the monks in the monastery to all the benefactors. Our donation will be used to finance the renovation of the monastery.

The monastery have now finished 100% of all the rebuilding and repair works related to structure, walls, pillars, including basic interior and exterior painting for the main temple building and the residence building for monks. Please see the nice pictures of the monastery after restoration below. Some new prayers wheels are also sponsored and installed.

However, still what is left to be done is the **major thangka repainting work on the entire internal wall of the main temple**. This work is not sponsored by anyone yet. Your kind support is highly appreciated. The estimated cost for the entire inner temple wall is **106 107 USD**.

H.E. Rinpoche encourages us to make any donation to support this virtuous act. Any amount of donation will be GREATLY appreciated. The great accomplished master Milarepa once said:

*“When a skillful meditator meditating in the wilderness,  
And the skillful benefactor providing the wherewithal come together,  
This connection leads both to Buddhahood.  
What gives this link its meaning is the dedication of merits”*
