**His Eminence Lho Ontul Rinpoche gives commentary on  
Creation and Completion Stages of Deity Yoga**

**Saturdays: April: 9, 16, 23, 30; May 7, 14, 21, 28 kl. 14:30  
CEST**

The generation stage or creation phrase, also known as the phase of imagination and the yoga of fabrications is the first phase of tantric deity yoga in the Unsurpassed Yoga Tantra. Ju Mipham defines the generation stage as follows: "accessing the purity and equality of appearance and existence through conceptual creations and training in accord with the view that ascertains the meaning of the natural continuum of the ground. The completion stage, also known as perfection or fulfilment stage or the yoga of the natural state is the second stage of Unsurpassed Yoga Tantra. Ju Mipham writes that in the completion stage or path of the innate or path of direct perception, the profound methodical pith instructions actualize the tantra of the ground, the great purity and equality that dwells within as the mandala of spontaneous presence.

## **Khenpo Samdup Rinpoche leads**

### **Weekend Vajrakilaya Retreat**

**Sat. – Sun 9-10/4 kl. 17– 19 and 21 – 22:30 CEST**

Vajrakilaya is the wrathful manifestation of Vajrasattva, the Buddha of Purification. The heart essence of Vajrakilaya is love and compassion, as it is with all deities.

In today's world, anxieties about our personal life and world conditions can disturb our peace of mind. The practice of Vajrakilaya acts as a powerful means to remove personal inner & outer obstacles to peace, happiness and enlightenment while promoting the well-being of the world community as a whole.

H.E. Garchen Rinpoche said, "The transformation that occurs when the afflictive emotions are subdued with sharp discriminating awareness is the arising of the wrathful deities. The actual nature of the afflictive emotions is primordial wisdom, thus the five poisons are the five wisdoms. Through the power of awareness, the afflictive emotions collapse, and this collapsing is revealing of their true nature, primordial wisdom. This collapsing or transformation is the wrathful deity."

**Monthly Cakrasamvara Practice Sat. 16/4, kl. 16 – 18:30  
CEST**

On the full moon day, Drubpon Rinchen Dorjee Rinpoche will lead The exceedingly concise sādhana of Cakrasamvara's Five Deities, called Utter Illumination of the Innermost Essence. Yidam practice is a very special tantric practice in which one transforms one's normal, samsaric experience of reality into an extraordinary experience of the true state of all phenomena. While the teachings of the sutra-level consider ignorance as the root cause of samsaric existence, the tantric teachings identify the ordinary appearances as the root cause of samsara. The practice of Yidam is a special and profound method to quickly transform ordinary appearances into enlightened appearances. To be more accurate, this practice uncovers the actual state of appearances and reveal them to be pure and empty unceasingly. Register [HERE](#) to receive the a pdf version of the text.

In celebration of His Eminence Garchen Rinpoche's birthday, we are pleased to announce that the lamas from the various Garchen Dhorma centers will gather this year at Rinpoche's main residence outside of Tibet. On the first day, the lamas will perform the elaborate Protector Ritual of Fulfillment and Mending. On the second day, we will practice Vajrasattva, followed by a Ten Thousandfold Offering to Namgyalma, during which we will accumulate the long dharani mantra of Namgyalma for four days. On the final day, we will offer a long-life ceremony to His Eminence Garchen Rinpoche, our beloved Guru. May the power of this virtue quickly put an end to disease, famine, and war throughout the world; grant everyone good health and mental happiness; and inspire them to cultivate the four immeasurables! Please join us for this special event, which will take place from April 19th to 25th, 2022.

## Generosity in a Time of Need

Students of the Garchen Ratnashri Center in the Ukraine are in need of our assistance. Included below are two excerpts from letters written to Ani Samten of the Garchen Buddhist Center. Thanks to the White Lotus Buddhist Center in Rochester, NY for posting this information.

"Everyday we are sending money to our sangha members to make sure that they can afford to pay for food and to move in case of danger. Some people were

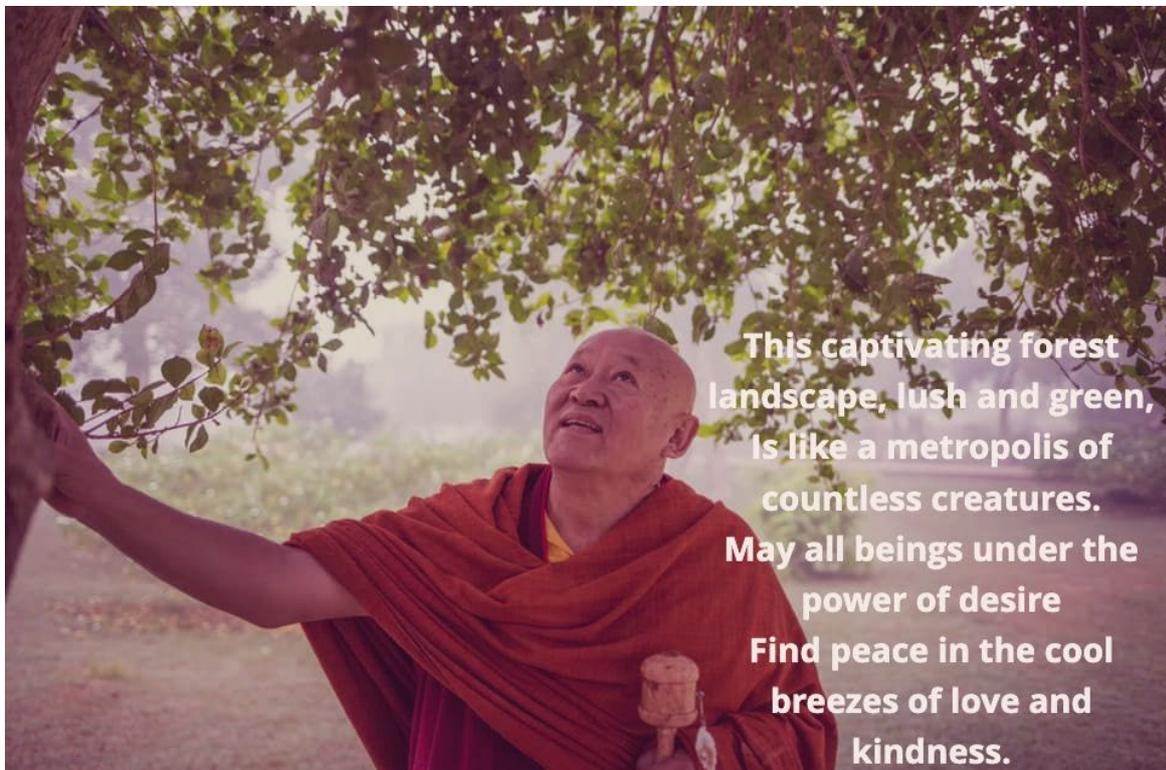

refusing money one month ago, but most of our friends didn't have any income since February 24, so their savings are rapidly melting away. We are making sure that they don't have to worry about food for tomorrow. And we can do it only because of boundless love and support that we receive from all of you."

"Every day we discuss who in our sangha are in an immediate need of finances and how much each particular person or family needs depending on their situation, and then we send it right away. We already sent help to a number of people. Everyone is expressing their deep gratitude to Lama Garchen Rinpoche and our vajra brothers and sisters from Western countries. For example, Dmytro from Kyiv wrote: "Thank you so much my dear Lama and his students for your kindness! May you all have a long life, may your pure intentions be fulfilled, and may you reach enlightenment very soon!" Dmytro says that they live on an apartment building with his old parents close to the forest and often hear shots. His father was depressed and angry at Dmytro for following the Buddhist path, but after receiving money offered by buddhists, he was in a good mood and relaxed a bit."
