**His Eminence Lho Ontul Rinpoche gives commentary on**  
**Creation and Completion Stages of Deity Yoga**

**Sat.: May 14, 21, 28 kl. 14:30 CEST**

The generation stage or creation phrase, also known as the phase of imagination and the yoga of fabrications is the first phase of tantric deity yoga in the Unsurpassed Yoga Tantra. Ju Mipham defines the generation stage as follows: "accessing the purity and equality of appearance and existence through conceptual creations and training in accord with the view that ascertains the meaning of the natural continuum of the ground. The completion stage, also known as perfection or fulfilment stage or the yoga of the natural state is the second stage of Unsurpassed Yoga Tantra. Ju Mipham writes that in the completion stage or path of the innate or path of direct perception, the profound methodical pith instructions actualize the tantra of the ground, the great purity and equality that dwells within as the mandala of spontaneous presence.

### **MANI RETREAT AND AVALOKITESHVARA EMPOWERMENT**

**Sat. - Sun. 14-15/5 Practice and Mantra Recitation kl. 15 –  
00 CEST**

The Mani Drupchen is a traditional meditation retreat centered on the boundless love, compassion, and wisdom of Avalokiteshvara, whose mantra is OM MANI PADME HUNG HRI. When we recite OM MANI PADME HUNG with the mind to benefit all beings, we are engaging in a profound method that transforms our impure body, speech, and mind to a pure state of body, speech, and mind. Reciting each syllable of the Mani mantra with a mind of bodhicitta closes the doors to the six realms of samsara and frees sentient beings from suffering. “The more Mani mantras we recite, the more love will increase in the minds of sentient beings, the more hatred will decrease. The minds of beings will become peaceful and happy, which will also help one’s country. If the minds of humans become peaceful and happy, then also the minds of spirits will become peaceful and happy. The Mani mantra practice is supreme in order to bring about peace and happiness.”

**Drubpon Rinchen Dorjee Rinpoche leads**  
**Monthly Cakrasamvara Practice Sun. 15/5, kl. 16 – 18:30**  
**CEST**

On the full moon day, Drubpon Rinchen Dorjee Rinpoche will lead The exceedingly concise sādhana of Cakrasamvara's Five Deities, called Utter Illumination of the Innermost Essence. Yidam practice is a very special tantric practice in which one transforms one's normal, samsaric experience of reality into an extraordinary experience of the true state of all phenomena. While the teachings of the sutra- level consider ignorance as the root cause of samsaric existence, the tantric teachings identify the ordinary appearances as the root cause of samsara. The practice of Yidam is a special and profound method to quickly transform ordinary appearances into enlightened appearances. To be more accurate, this practice uncovers the actual state of appearances and reveal them to be pure and empty unceasingly. Register [HERE](#) to receive the a pdf version of the text.

Students of the Garchen Ratnashri Center in the Ukraine are in need of our assistance.

Maryna sent message this morning that a missile struck the town she is in and hit a military supply bunker which was exploding throughout the night. They were hiding in the cellar and she was frightened.

Sangha in Lisichansk are having a hard time with food supply so they have been transferred funds and are helping each other. Families are being sent out of the town but they are staying to help feed the animals and take care of the stupa they built there.
