

Progress Report on Rinchen Ling Renovation Project, March 2017

Thank you for your genuine support. The total amount received was wired to Rinchen Ling monastery and a list of names and donation of the donors were handed over to His Eminence Nubpa Rinpoche. Rinpoche expressed his gratitude to the financial support from our sangha and all the donors were blessed by Rinpoche by their names. The monastery used our donation for fixing up the three big statues in the main temple hall.

About 80% of the total 237 000 USD that the monastery needed to be raised are obtained. The ongoing rebuilding and repair works related to structure, walls, pillars, including basic interior and exterior painting for the main temple building as well as the residence building for monks are almost finished. The funding for the remaining 20% is also pledged. Most of these financial supports have been provided by groups from Taiwan and Singapore. Some other works in the main temple have been provided by groups from other countries like Sweden.

However, what is left to be done is the **major thangka repainting work on the entire internal wall of the main temple**. This work is not sponsored by anyone yet. Your kind support is highly appreciated. The estimated cost given by thangka painters for the entire inner temple wall is **106 107 USD**.

H.E. Rinpoche encourages us to make any donation to support this virtuous act. Any amount of donation will be GREATLY appreciated. You can make your donation in one of two ways:
